

Clinton Township Board of Trustees – Regular Meeting
October 15, 2018 – 7:00 p.m.

All Board members answered roll call – Trustee Dennis Moyer, Trustee James Distel, Trustee Dennis Baugher, and Fiscal Officer Jennifer Bates.

Guests: Fred Bishop, Eric Bishop, Frank Laney, Diana Warnement, Phyllis Watts, and Dennis Kingseed.

The minutes of the meeting held October 1, 2018 were read and approved.

Correspondence: Sandusky River Watershed Coalition – Seneca River Trail Fun Run/Walk flyer, OSS Solid Waste District – public entity tire recycling

Fire Chief Fred Bishop reports that there are some parades coming up that they would like to participate in. He also reports that Rescue #34 still needs to be fixed. There is a stabilizer box that needs replaced. They tried one box and it was not correct. A new one is on order. Also, the pump tests are done and they all passed. Chief Bishop also says that there are six firefighters attending a fire service leadership seminar on Saturday.

Zoning Inspector Frank Laney reports that he issued one permit for a new home. He also reports that Trustee Distel received a complaint regarding 1709 E. CR 36. Eric & Cathy Gottfried bought the property in 2015 and tore the house down because it was in such bad shape. They obtained a permit for a pole building with the usage listed as storage. They have been living in their camper inside the pole building and their son has recently moved onto the property in a fifth wheel camper with skirting around bottom. Zoning Inspector Laney says our zoning code does not allow you to reside in a camper on your property, or in your pole building in a camper on your property. The county auditor's office is not taxing the property as a residence. The health department is going to look at their records regarding a septic system. The Board thinks we should contact the prosecutor's office.

Trustee Baugher says he contacted Greg Briedenbach at the county about doing Durapatch on our crossovers. They have already done them and said that there is no charge to us.

Trustee Baugher says that the Board met with Dave Kinn at TR 122 and wants to know if we want to proceed with the project. Trustee Moyer thinks that it should be done. Trustee Baugher says we need to start getting estimates so we can budget for it next year. The cost of the project will be under \$50,000 so it will not be required to be bid out.

Trustee Distel asks if we got tile for Wisbaker's project. Trustee Moyer says that we have not. Trustee Distel also asks if we need to do anything with the ditch on TR 73. Trustee Moyer told the homeowner to put some dirt in it and then let us know so we can look at it. We may have to put a little bit of a swale in.

Trustee Distel reports that the pavement on Tecumseh was ground today.

Trustee Moyer asks if we should dig up a section of the tile on TR 132 and see if it is plugged. Trustee Baugher says to dig part of it up and see what we are dealing with. Trustee Moyer says we may be able to have the county run their camera through it. The State never got back to him about it.

Trustee Moyer says the beans are off on TR 155 at Seifert's and asks if we want Lenny Kirian to come look at the blow outs. Trustee Baugher says we just need to fix it at the basin. We can have Jim Lang dig it up and patch in some plastic tile.

Trustee Moyer asks if we want Jim Lang to service the dump trucks or have Keller's do it. Trustee Baugher would like to know how many miles are on the last oil change.

Trustee Moyer says North Central Electric called him about filling in between the drives on TR 122. Dave Kinn has already said not to let them do it. Trustee Moyer says the want to be able to pull trucks in there along the road, but maybe if we allowed them to extend the current drives they could pull in.

Trustee Moyer says we need to advertise for a zoning inspector. We need to see if we can find the applicants from last time.

Bills were presented to be paid:

10287	Fred Bishop	wages	\$267.62
10288	Michael Hoover	wages	\$78.75
10289	John Kirian	wages	\$184.85
10290	Franklin Laney	wages- 3Q report	\$334.08
10291	James Lang	wages	\$1302.06
