get half our order. Discussion was held on road salt order. Discussion was held on applications from Ohio Means Jobs for the road worker position.

Trustee Distel made a motion to purchase 40 ton of road salt from Seneca County and another 40 ton from another one of the other vendors that is the cheapest.

Mr. Kuhn Y, Mr. Distel Y, Mr. McKinney Y, Motion Carried.

Trustee Distel reported that he spoke with Terry Wright from Seneca County Engineers office about Honey Creek. He said that they are looking into that log jam and if it is in the road right of way, they will clean it out. He said they believe there is some sort of tile down there. They found that the first seven houses are paying a maintenance fee on that tile. They will talk to Soil and Water to take a look at it. Trustee Distel reported that he talked to him about Wallisers and he suggested that they call Soil and Water about their issues. Trustee Distel asked about the easement. Terry said the easement is for the home owners to be able to have access to fix issues. The township does not have anything to do with it. Trustee Distel asked him if it was pinned and he said no you would have to use the property pins and measure off 20 feet. Discussion was held on what the county could do. Trustee Distel reported that he updated Walliser on what the county said.

Trustee Distel said that he looked at proposed cyber security policy and said it looked fine to him. Fiscal Officer Welter reported that he would send it down to Derek Devine's office to look over. Trustee Distel reported receiving a form from the Seneca County Board of Elections office to update contacts. He reported putting himself and Trustee McKinney's information down as points of contact. Discussion was held on the Trees on Township Road 122 that are dead. It was determined to contact Adams Tree Service or EZ Tree Services or Hawk's Tree Service about removing them.
